Hello Sapna,

Currently, there is no way to do this. The corresponding items in the drop-down lists are ordered by their internal Ids in Collaborator's database. You can register the corresponding feature request on our forums: <https://community.smartbear.com/t5/Collaborator-Feature-Requests/idb-p/CollaboratorFeatureRequests>

Our developers will consider implementing the corresponding feature in Collaborator.

Regards,

Anton Yanev

Subject: Sort Review templates and Checklists in the dropdown list

Hello Support,

Is there an option where I can sort the checklists and Review Templates in alphabetical order in the drop down list on creation of a review

Regards,

Sapna Raju
